Make a short statement on why you want to belong to the EFS executive committee:

La Federación Española de Sociedades de Sexología (FESS) is formed by 31 scientific societies of Sexology all over Spain. FESS is thought to be leader in Sexual Health in Spain. Thus, being the President of this Federation my presence in the Executive Committee of the European Federation could be of great importance. On the other hand, lately Spain has become an example to be followed worldwide concerning Sexual Health and Sexual Rights. As a member of the Grupo Federal de Salud Sexual y Derechos Sexuales of the Government of Spain, I think that I can contribute with my experience and knowledge in this matter. Finally, my post as President of the last two Spanish Congresses in Sexology has made possible my active participation both in the educative, and clinical and research areas. I would be very pleased to use this professional experience together with my knowledge, dedication and enthusiasm to contribute to the improvement of European Sexology.

If you are already a member of the executive committee, please outline your contribution to the Federation during your term of office:

Please state (in terms of time, attendance to meetings, working in specific projects) the commitment you are willing to make to work as a member of the executive committee if you are elected:

I am completely available for the summons of this post.

Please remember that you need to accompany this application with:

- A scanned copy of the document from your society stating that you are being nominated as a candidate for the executive committee of EFS, signed by the appropriate officer.
- A scanned copy of your university degrees.
- A brief curriculum vitae

and that the member society proposing your candidacy should have paid all dues.

Send your completed application to [secretary@europeansexology.com](mailto:secretary@europeansexology.com) by April 10<sup>th</sup>. Your completed form will be uploaded onto the EFS web site.
