Bring German-speaking societies in EFS. Success for two societies. Plus a French-speaking one.

Please state (in terms of time, attendance to meetings, working in specific projects) the commitment you are willing to make to work as a member of the executive committee if you are elected:

Because of my husband Willy Pasini (founder of EFS) I have been in the sexological field since the 1970's when I started to attend sexological congresses all over the world.

I speak French, German, English and Italian and already know many societies in Europe.

My aims will be to :

- continue to contribute to develop an overview about sexology training in Europe.
- collaborate with European sexological institutes that provide training programs in sexology, within an EFS committee.

Please remember that you need to accompany this application with:

- A scanned copy of the document from your society stating that you are being nominated as a candidate for the executive committee of EFS, signed by the appropriate officer.
- A scanned copy of your university degrees.
- A brief curriculum vitae
