Tutor at Oxford Course of EFS- ESSM

Co-Chair of the EFS-ESSM Certified Psycho-Sexologist Exam Committee (ECPS)

Run many TV programmes on sexual health, sexual rights and women's rights in Turkey

Make a short statement on why you want to belong to the EFS executive committee:

As I had been given the honor to chair and organize the 12th EFS Congress in Istanbul which later became a joint event with 16th ESSM Congress, I had the pleasure to work in close collaboration with some of the executive members of EFS. I would be honored to be part of this group which aims to widespread the practice of ethical and good practice guidelines in treatment of sexual problems and in promoting sexual health. I have presented in most of the previous EFS congresses and I will be happy and honored to serve as a committee member if that helps improve sexual health education and service given to people suffering from sexual disorders in Europe and elsewhere. Being one of the past presidents of EABCT and board member of international organizations, I believe I have the experience to promote organizational activities of EFS.

If are already a member of the executive committee, please outline your contribution to the Federation during your term of office:

Please state (in terms of time, attendance to meetings, working in specific projects) the commitment you are willing to make to work as a member of the executive committee if you are elected:

I would be happy to attend the meetings and take part in projects if I am elected.

Please remember that you need to accompany this application with:

- A scanned copy of the document from your society stating that you are being nominated as a candidate for the executive committee of EFS, signed by the appropriate officer.
- A scanned copy of your university degrees.
- A brief curriculum vitae

and that the member society proposing your candidacy should have paid all dues.

Send your completed application to secretary@europeansexology.com by **December 31th, 2013**. Your completed form will be uploaded onto the EFS web site.
